

Virginia Communications Use Tax Return (CT-7), Worksheet and Instructions

General: Effective January 1, 2007, the Communications Sales and Use Tax ("Communications Sales Tax") is imposed on the sales price of communications services at the rate of 5%. A communications service is any electronic transmission of voice, data, audio, video or other information by or through any electronic, radio, satellite, cable, optical, microwave or other medium or method regardless of the protocol used for the transmission or conveyance.

The use tax applies to the use or consumption of communication services in Virginia when the Virginia communication sales or use tax was not paid at the time of purchase.

Filing: A Communications Use Tax Return, Form CT-7, must be filed on or before the 20th day of the month following the period in which the use tax liability was incurred.

Returns are not required to be filed for periods in which no use tax is due.

Box 26544, Richmond, Virginia 23261-6544** as soon as possible after the close of the reporting period but not later than the 20th day of the following month.
